

THE ALL-NEW UTILITYFX™

THE INDUSTRY'S FIRST ALL-COMPOSITE CUTAWAY BODY

Now available on the market, the UtilityFX™ from BrandFX is the superior utility service unit that eliminates the need for standard service vans, combining the interior work space of a van with easier, smarter, exterior-accessible storage. Molded out of one piece of composite, with no rivets, the UtilityFX provides a leak-proof canopy that protects inventory with the added benefits of a quieter ride. Built to withstand even the most rigorous applications, the all-composite cutaway body is specially designed to fit Ford E-Series and transit chassis.

The UtilityFX is available with 15"D x 42"H packs, as well as a 36" canopy above pack, and 124" long body.

UNMATCHED ACCESSIBILITY AND CONVENIENCE WITH THE LATEST INNOVATION FROM BRANDFX

LIGHTWEIGHT COMPOSITE. CORROSION-FREE CONSTRUCTION.

The advanced lightweight composite construction offers a substantial reduction in vehicle weight compared to other service compartments—improving fuel efficiency while reducing the weight load on tires, brakes and suspension systems.

With the benefits of zero-corrosion and zero-oxidation composite, these cutaway bodies won't bend, dent, crack, rust or degrade. The UtilityFX maintains its pristine, like-new condition for a sleek and professional appearance across entire service fleets. It's one more reason why BrandFX is trusted by 5 of the top 6 U.S. service fleets, delivering industry-proven utility units built to last a lifetime.

BRANDFX™ THE LIFE CYCLE VALUE LEADER™

BrandFX is the worldwide leader in lightweight composite Work Truck bodies – providing line bodies, service bodies, inserts, tonneau covers, and toppers to many of the world's largest utility and service fleets. BrandFX EverLast composite bodies are proven to offer the highest life cycle value, delivering 20-plus years of effective service while maintaining their quality finish and appearance. Because BrandFX believes in American-made quality, the company manufactures all of its truck bodies in the U.S.
